        <h5>About me:</h5>
        <p>
          A dedicated professional with 18 years of experience at US Foods, now transitioning to a
          career in web development and software development. Throughout my tenure in the
warehouse
          industry, I honed valuable skills in problem-solving, effective communication, and task
          prioritization.
        </p>
        <p>
          As a team leader, I excelled in conducting pre-shift meetings, delegating tasks, and making
real-time adjustments to ensure smooth operations and team efficiency.  Although I'm new to the
technical aspects of the field, I firmly believe that my problem-solving skills will seamlessly translate into
success in the web development and software development.
        </p>
